WORK EXPERIENCE

Multimedia Content Developer | Epson America, Inc.
Long Beach, CA (Oct 2018 - Jun 2021)

- Develop, film, and edit documentation videos for a wide range of consumer products using the Adobe Suite.
- Organize, plan, and execute video shoots across multiple teams and departments via Microsoft Office Suite.
- Coordinate video releases with project managers to ensure overall content quality when product launches.

Adjunct Professor of Animation | Drexel University
Philadelphia, PA (Sep 2014 - Sep 2018)

- Taught over 20 10-week undergraduate courses focusing on animation fundamentals, pre-production, project management, cinematography, and creative problem solving.
- Created custom lesson plans, presentations, and demos.
- Led students through class discussion/critique.

Producer & Animation Lead | Coffeebot Studios, LLC
Philadelphia, PA (Jul 2014 - Dec 2017)

- Coordinated production for multiple educational video series and content for clients such as PBS via Slack, Trello, and email.
- Created, wrote, storyboarded, and animated YouTube series as part of *Channel Frederator* with more than 20 episodes using Maya and the Adobe Suite.
- Managed small team of animators. Led them through weekly animation and story critiques. Helped them problem solve technical issues.
- Managed YouTube series' social media presence.
- Organized participation in local conferences and film festivals.

Animation Instructor | BSD Code + Design Academy
Bryn Mawr, PA (Jul 2016 - Oct 2016)

- Developed custom animation lesson plans and curriculum for students age 8 - 18.
- Engaged students in animation, storyboarding, and design fundamentals, using tools like Blender and Unity.
